EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel non-elected claims 34,39-40.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or teach the process for manufacturing a two layered breast prosthesis comprising providing: (i) a first film envelope configured to define a first interior volume; and (ii) a second film envelope joined to the first film envelope along a common side edge to thereby define a second interior volume wherein the second film envelope and the first film envelope share a common interstitial film wall such that a respective first and a second fill opening extend from the common side edge to the respective first interior volume and second interior volume; and passing a self-shaping dispersion through the first opening wherein air is removed from the self-shaping dispersion prior to passing the self-shaping dispersion through the first fill opening; sealing the first and second fill openings; and curing the elastic material precursor in the second film
